## CORPORATE SOLUTIONS

### Design Engineering

HYUNDAI INTERACTIVE BOARD Solutions make it easy to review project materials and work with other resources on a large interactive surface. You share information visually, whether your teams are local or dispersed.

### Business Process Management

HYUNDAI INTERACTIVE BOARD Solutions can help stakeholders and process owners collaborate to support agile development principles - from definition and analysis to activity mapping, improvement targets and ongoing measurement.

### Product development

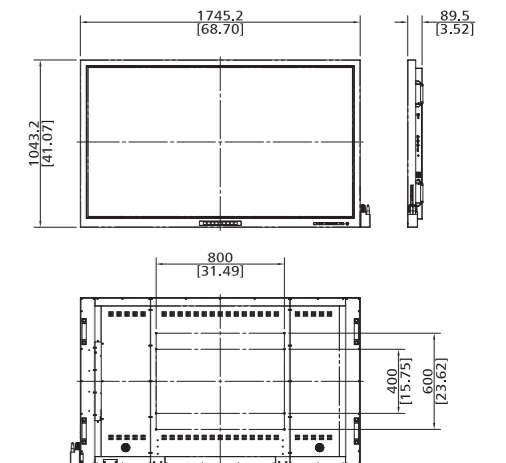

With HYUNDAI INTERACTIVE BOARD Solutions, you can bring experts together in one room, regardless of location. You can work with file and applications on a large interactive and contribute to the work in real time.

### Training

With HYUNDAI INTERACTIVE BOARD Solutions, trainers can display and work with information on a large, interactive surface. And because our products are interactive, training participants can be involved in working with the material, making annotations and navigating the content themselves.

## DIMENSIONS
